IN THE PARTY OF THE NATIONAL WATER

Can you be

sure it's safe? A glass of water. You pour it, driek it, effor it to your children-you take it for chemicals belo make managed water supplies safe and pure. These ment be applied with process over and arrows the ration. But CAL's interest does not end with delayer of the chemicals. To help manageables in their use of characols, G.F., technical service people regularly consult with town engineers. The result of this teamwork sensore that your displays water can safely be taken for granted. This is an example of C-L workers in partnership with the constructly. Another reason why C.H. is known as well for the thangs it does as for the things it makes.

Teachers' pay: the next fighting issue in our schools

Is this system shoking the enterprise of the best teachers, protesting the mealness of the social teachers, and instering down the quality of all public select educations The teachers say no. Many other experts say yes. Already the controversy is violent

and amnotones batter A national report by Sidney Katz mun mere una

In Counties wheels taken most teachers are recoverable new

This way Counties will now \$53,000 betselv contested tune. Save it could be the public school teachers salaries adding un to helf a William dollars. About two thousand of them will draw over \$10,000; a few over \$14,000. Next year almost every teacher in the country who hear't oult, retired, or reached the neak of the salary scale already. will automatically set a raise. It doesn't matter if he is a good teacher, on indifferent teacher, or a downment bad teacher. Most Canadian public school tenchers are paid by a system called the SSS - the single salary whedule -

- the SSS is today a violently and sometimes

cents of a country-wide contraspess; affecting to sebool, and every citizen whose taxes belo-

With interesting and possibly revealing exceptions, the hattle lipes are drawn between the trackers, who say the SSS is the fairest and most practical way to set teaching selectes. and the trustees, who say it's time to sowp the 888 and pay teachers-like most other profesdo their tels. "What series here hains is lowels, R.C. heard of education. The secretary of the B. C. School 'Trustees' Association. Frank Reder, charges: "In defending the principle of equal work for equal pay, the teachers' federations are continued on page 62
